

The Angel

Ministry

Now, is an Angel there?
Now, is an Angel there?
Now, is an Angel there? One left out when they passed Heaven about
What about me sitting here in my purgatory?
So get out, he's dead, I'm alive, he's spared Always an Angel who cares
Always an Angel there One like me, we try so hard
Five like you, someone dead again
Where's your Angel now?
(Where's your Angel now?)
Where's your morals now?
(Where's your morals?) Always an Angel there
Where's your Angel now?
Always an Angel who cares
Always an Angel there Where's your morals?
There's always an Angel who cares There's always an Angel there No more people staring, no more fatal dares
Like a baby grabbing at something that isn't there
But it is, but it is, but it is
But it is, but it is, but it is Always an Angel there
Always an Angel who cares
Always an Angel there
Always an Angel who cares
