

Give It Up or Let Me Go

Dixie Chicks

Well I told you pretty baby
Such a long time ago
If I found you with another
Well I'd walk right out your doorWoah you might call me crazy
There's one thing you should know
Oh honey if you want me to love you
Got to give it up or let me goI know it's useless to be jealous
I couldn't tie you if I tried
When I'm thinking you're messin'
Around my backIt sure brings a pain I just can't hide
Oh baby, I've been true to you
And if I can make that sacrifice
Honey, you can do it tooWell, you come home drunk and nasty
You won't tell me where you've been
Just when things are nice and sweet
Your going back out againWhy do you want to mess up a good thing?
I'm gonna find me another man
One that wants to give me everythingWell I told you pretty baby
Such a long time ago
If I found you with another
Well, I'd walk right out the door
Woah, you might call me crazy
There's one thing you should knowOh honey if you want me to love you
Got to give it up or let me goGive it up or let me go
