

# I'm On the Road

## The Partridge Family

Today may be a never ending highway  
And yesterday a half-forgotten smile  
But I can hear tomorrow singing  
From around the bend It's just another dusty mile  
And I've got dreams to spare  
And time to spend  
Time to spend So I'm on the road  
Travelin' free and easy  
Travelin' on  
Gotta get on Well, I gotta get on  
Gotta fill my life with living  
Just tell everyone I've gone  
On the road The morning whispers follow me, come my way  
By noon, I'm on the far side of the sun  
And I can't keep these wheels from rolling  
In to one more town There's so much to be seen and done  
To settle up before I settle down  
Settle down So I'm on the road  
Travelin' free and easy  
Travelin' on  
Gotta get on Well, I gotta get on  
Gotta fill my life with living  
Just tell everyone I've gone  
On the road See the country side unreeling, watch it all unwind  
Nothing I know beats this feeling  
Of not knowing where you're going  
Or what you're gonna find So I'm on the road  
Travelin' free and easy  
Travelin' on  
Gotta get on Well, I gotta get on  
Gotta fill my life with living  
Just tell everyone I've gone  
On the road
