Let Me Out

Imelda May

Poundin' down the door, drownin' out your name
Stompin' through the floor,
Let me out boy I'm goin' insane
I'm hissin' like Eartha Kitt in a cage,
I'm howlin' like a dog
You're evil what you're doin' to me,
I kissed you but you're still a frogLet me out, let me out, let me out
Let me out, let me out, let me out
Let me out, let me out, let me out
Let me out, let me outYou got me and you dangle the key,
Freedom in front of my rage
You better let me out
Or I'm gonna break every bone in this human cage
Your holdin' too tight,
You're tyin' me down, this time you gone too far
You're evil what you're doin' to me,
I'll be nobodys prisonerOh I'm startin' to freak, I'm startin' to shake
Oh I can't breathe, but you're not gonna take
A lot of action,
I'm near distraction,
I'm goin' outta my mind
