

# Isa's Song

Laura Rhinehart

You're beautiful  
You're beautiful to me  
so beautiful,  
so beautiful to me  
and the fragrance of your love  
it is so sweet to me  
the fragrance of your love anoints me  
and I will pour it back upon you  
i will pour the oil of my love upon you  
and through your love and through your life  
I will pour my anointing out over all the nations.

I have not forgotten you  
i have not forgotten even one tear  
i have not ever left you alone  
and i am showing myself strong to you  
today is the day of my love poured out  
over you like you have never felt  
today is the day of my love being poured out all over you  
and you will see all the desires that you have had  
you're going to see them fulfilled  
all the dreams of your heart  
they will be fulfilled they will be fulfilled  
as I dance over you they will be fulfilled they will be fulfilled  
as i dance through you, as I dance through you

my love is increasing, my love is increasing  
increasing increasing increasing  
the longing is increasing, the longing is increasing  
the burning is increasing, the burning is increasing  
the longing is increasing, the longing is increasing  
the burning is increasing, the burning is increasing  
I'm breathing on the fire you thought it was going out, but it's increasing, it's increasing, it's increasing, it's  
increasing  
I'm breathing on the fire, I'm breathing on the fire  
it's increasing, it's increasing, it's increasing, it's increasing

I love you  
i will love you,

love you
