

# Better Things

## Dar Williams

Here's wishing you the bluest sky  
And hoping something better comes tomorrow

Hoping all the verses rhyme,  
And the very best of choruses to  
Follow all the doubt and sadness

I know that better things are on their way. Here's hoping that the days ahead  
Won't be as bitter as the ones behind you

Be an optimist instead,  
And somehow happiness will find you.  
Forget what happened yesterday,

I know that better things are on their way. It's really good to see you rocking out  
And having fun,  
Living like you've just begun.  
Accept your life and what it brings,  
I hope tomorrow you find better things.

I know tomorrow you'll find better things. Here's wishing you the bluest sky  
And hoping something better comes tomorrow

Hoping all the verses rhyme,  
And the very best of choruses to  
Follow all the drudge and sadness  
I know that better things are on the way.
