

# We Rule the Night

## Bon Jovi

We walked through the sunshine, we walked through the rain  
As endless as time, the thoughts will remain  
We'll take what we want, you take what you need  
We are the targets, you better believe No one can save you, there's nothing to say  
Deception's the name of the game We rule the night  
Only the strong will survive  
There's no wrong, there's no right  
We rule the night We rule the night  
We'll never give up the fight  
Where the wrong is alright  
We rule the night All is for one and one is for all  
If we take the fight then you take the fall  
You run from the shadows but they call my name  
You search for the truth but your search is in vain No one can save you, there's nothing to say  
Deception's the name of the game We rule the night  
Only the strong will survive  
There's no wrong, there's no right  
We rule the night We rule the night  
We'll never give up the fight  
Where the wrong is alright  
We rule the night, we rule the night When you're looking for someone to blame  
I know you'll remember my name We rule the night  
Only the strong will survive  
There's no wrong, there's no right  
We rule the night We rule the night  
We'll never give up the fight  
Where the wrong is alright  
We rule the night, we rule the night  
We rule the night, we rule the night  
We rule the night
