

# When the Heart Rules the Mind

GTR

Mother protect me, protect me from myself  
Lately I can't tell, who really are my friends  
Burning the candle, the candle at both ends  
Through crowds, across floors each night I just pretend  
When the heart rules the mind  
One look and love is blind  
When you want the dream to last  
Take a chance forget the past  
Watching the actor, that takes the stage by storm  
Stealing the limelight, while we're in the wings  
Sometimes the hero, must play the underdog  
But I don't feel the same I must have everything  
When the heart rules the mind  
One look and love is blind  
When you want the dream to last  
Take a chance forget the past  
Seasons will change  
You must move on  
Follow your dream
