Nothing Better

Playmen

I Could Be Lying On The Beach On A Perfect Day
But If You're Not Next To Me
Feels Like A HurricaneI Could Be Singing This Melody
On The Biggest Stage
But If You're Not In The Wings
Its Just An Empty SpaceCause'
When We Are Together
There's Nothing BetterFrom Now Until Forever
There's Nothing BetterOf All The Things I Do
You're The Ultimate PleasureWhen We Are Together
There's Nothing BetterThere Is Nothing Better, Nothing Better, Nothing Better
There Is Nothing Better, Nothing Better, Nothing BetterI Could Be Lying On The Beach On A Perfect Day
But If You're Not Next To Me
Feels Like A HurricaneI Could Be In The Vip
Of The Coolest Place
But If You're Not Close To Me
I'd Rather Walk AwayCause' When We Are Together
There's Nothing BetterFrom Now Until Forever
There's Nothing BetterOf All The Things I Do
You're The Ultimate PleasureWhen We Are Together
There's Nothing BetterThere Is Nothing Better, Nothing Better, Nothing Better
There Is Nothing Better, Nothing Better, Nothing Better
