

Loved by a Country Boy

Trea Landon

Have you ever had your heartbeat
Skipping like a rock on the water?
Have you ever felt a June like kiss? Make summer burn a little hotter
Have you ever fell faster than a Chevrolet
Rollin' 'round the bend?
Left a t-shirt hanging on a hickory limb 'fore you jumped in
Girl you ain't been loved, 'til you been loved by a
country boy
Bet you never felt nothin' like that no
Girl you ain't been loved, 'til you been loved by a country boy
Steal your heart and won't give it back
Don't you want that love?
Come and get this love baby
Girl you ain't been loved, 'til you been loved by a country boy
Loved by a country boy yeah
Have you ever layed down on a blanket
Underneath the harvest moon?
Looked up at a shooting star yeah
And knew a wish was made on you?
How 'bout a little dirt road ride?
How 'bout a little dancing on my hood?
Ain't talkin' 'bout good enough no
I'm talkin' 'bout so damn good
Girl you ain't been loved, 'til you been loved by a country boy
Bet you never felt nothin' like that no
Girl you ain't been loved, 'til you been loved by a country boy
Steal your heart and won't give it back
But don't you want that love?
Come and get this love baby
Well girl you ain't been loved, 'til you been loved by a country boy
Loved by a country boy
Girl you ain't been loved, 'til you been loved by a country boy
Bet you never felt nothin' like that no
Girl you ain't been loved, 'til you been loved by a country boy
Steal your heart and won't give it back
But don't you want that love?
Come and get this love baby
Girl you ain't been loved, 'til you been loved by a country boy
'Til you been loved by a country boy
Loved by a country boy
