Lives Run Out

The Warp Zone

I need that leaf
That star
That question block

Won't go to sleep
It's dark
Don't wanna stop
Cause I feel alright
Yeah I feel alright
Cause I'm hopping clouds
And my tail's out
I'll be doing this
2D scrolling route
Til my lives run out
Til my lives run out

I'm busting Boos
And bubs
And big Bob-ombs
I'm riding Koopa Troopas
Like it's my job
And I feel alright
And I feel alright
Cause I'm hopping clouds
And my wings are out
I'll be doing this
Locked inside my house
Til my lives run out
Til my lives run out

I gotta find one ups
And a lot of gold
I'm killing every Goomba
Til i hit that pole
I'll be running
I'll be running
Til my lives run out
Til my lives run out
And i'll reach a pipe

And i'll travel down
Til my lives run out
Til my lives run out

I see hisstocrat
Out in front of me
But i'm patient with his pattern
Timed it perfectly
But mama called to me
Mama made me die
Mama said
Why don't you go play outside
And i said to her

(Mum just leave me alone
Ok i'm an adult
You're always nagging me
Take out the garbage
Do the dishes, Get a job
GOD! Its Mario time mum
just get out, Just Get Out!)
Oh Thank god she's out! Yeah!

I gotta find one ups
And a lot of gold
I'm killing every bully
Til i hit that pole
I'll be running
I'll be running
Til my lives run out
Til my lives run out
And i'll jump the fire
And take Bowser down
Til my lives run out
Til my lives run out

We all run with Yoshi
Sometimes as Luigi
Run for Toad
For Peach
For shrooms and leaves
For coins and speed
For memories

I need that leaf

That star
That question block
I won't go to sleep
It's dark
Don't wanna stop

I gotta find one ups
And a lot of gold
I'm killing every Koopa
Til i hit that pole
I'll be running
I'll be running
Til my lives run out
Til my lives run out
And i'll play this game
Through the ups and downs
Til my lives run out
Til my lives run out
Til my lives run out
