

# Flesh (DJ Tiesto Mix) [Jan Johnston]

**Paul Oakenfold**

ahhh.. baby, i can hardly recognize myself  
mmmmmmmm.... touch meThe light is going blue.  
Morning approaches.  
The pain's still here.  
I'm empty - empty - empty.Sounds of the world,  
Of laughter and tears.  
I've nothing left.  
I'm empty - empty - empty.Heaven is forbidden  
But I'm going soon  
Kiss me one last time  
before i take my flesh away  
Heaven is forbidden  
But I'm going soon  
Kiss me one last time  
Kiss me one last timeI want wisdom on tap, flowing like water  
strange i want that because  
I'm empty - empty - empty.So now eat your words,  
I hope you choke.  
I feel nothing no more.  
I'm empty - empty - empty.ahhh.. baby, i can hardly recognize myself  
mmmmmmmm.... touch meHeaven is forbidden  
But I'm going soon  
Kiss me one last time  
before i take my flesh away  
Heaven is forbidden  
But I'm going soon  
Kiss me one last time  
Kiss me one last time
