

I'm Neurotic

Terry Malts

I'm neurotic
That's what she says
Won't let it go to my head
Maybe she's right

I'm neurotic
That's what she says
Won't let it go to my head
Maybe she's right

I'm neurotic
That's what she says
Won't let it go to my head

I'm neurotic
I'm neurotic
I'm neurotic
I'm neurotic
