Stevie Hoang

Hey girl hey girl let's do this thing like it was your birthday (shortay)
Hey girl hey girl I'll make it feel like it was your birthday
Hey girl hey girl let's do this thing like it was your birthday (hey girl hey girl)
Hey girl hey girl (go shawty) I'll make it feel like it was your birthday
[Verse 1:] Shawty sit back put your feet up I know you been working damn hard all week
Baby just chill lay on the couch I'll be in the kitchen making us something we can eat
Then we'll get dressed up head to the club
Matter fact we can do what ever you want late night shopping
Put it on my tab anything you see that you like you can have
Baby tonight I'll show you how good it feels to be my girl
Baby tonight (oh girl)
I'll hold you like that day your momma brought you into this world
[Chorus:] I'm a treat you like it's your birthday your birthday your birthday
I'm a spoil you like it's your birthday your birthday your birthday
I'm a party like it's your birthday your birthday your birthday
I'm gunna sex you like it's your birthday ay ay ay your birth day ay ay ay
[Verse 2:] Turn the lights off you can make a wish let me know where you want your birthday kiss
I'm a sing you a song anything you please
This ain't t pain cause I'm chinese

Shawty you the captain I'm a be the pilot I just wanna make you feel good and take you higher
Treat you like a star that's what I'm gunna do like a genie I'm a make your wish come true
Baby tonight I'll show you (hey girl hey girl)
How good it feels to be my girl (just the way you like it)
Baby tonight (tonight)
I'll hold you like that day your momma brought you into this world (hey, hey)
[Chorus:] I'm a treat you like it's your birthday your birthday your birthday
I'm a spoil you like it's your birthday your birthday your birthday

I'm gunna sex you like it's your birthday ay ay ay ay your birthday ay ay ay ay ay
[Verse 3:] There's a party tonight and I'm the one whos throwing it
Your present in my shorts so go ahead and open it I'm a put it on you like a dream
So come and blow the candle if you know what I mean
Your present in my shorts so go ahead and open it I'm a put it on you like a dream
So come and blow the candle if you know what I mean
[Chorus:] I'm a treat you like it's your birthday your birthday your birthday
