Cream

Driving in my car, smoking my cigar,
The only time I'm happy's when I play my guitar.Singing in my yacht, what a lot I got,
Happiness is something that just cannot be bought.I've been in and I'm out, I've been up and down,
I don't want to go until I've been all around.What's it all about, anyone in doubt,
I don't want to go until I've found it all out.
