Bottles on bottles, free shots for everybody  
Got enough for everybody, we crankin' up the volume  
Turn the music up louder, get loose and move your body  
Get loose and move your body, we crankin' up the volume  
Bottles on bottles, free shots for everybody  
Got enough for everybody, we crankin' up the volume  
Turn the music up louder, get loose and move your body

Safe sex, and paychecks  
That's what it's all about, don't forget about  
Safe sex, and paychecks  
I bought the bar, I bought the ho' so a nigga can't tell me shit  
Just pour up the Ace, that cheap shit makes me sick  
I even let your bitch keep the gold bottle, gold pack, no Lifestyle  
Came to the club with my dogs, yeah we gon' ball 'til we fall  
OG purp on me, Steve Urkel have a young nigga geeked  
These girls, they DTF, that train got 'em feelin' their-self  
This nightlife shit ain't new to me  
Al the bad bitches get loose for me  
Say you do this every night, you gotta prove it to me  
Say you 'bout that life, you gotta prove it to me  
Shots, shots, now let's fuckin' party  
Shots, shots, now let's fuckin' party  
Shots, shots, now let's fuckin' party  
Shots, shots, now let's fuckin' party  
Bottles on bottles, free shots for everybody

Rock star life, fuck who don't like it  
Party all night, party all night  
I came here to have a good time  
Good smoke, good vibes, it's the good life

Somehow I got the sack past security  
Now I'm jumpin' up and down off the Hennessy  
Now I'm jumpin' up and down off the Hennessy  
I'll probably wake up in the mornin' with no memory  
Double shots, no chaser  
We party hard in the AM  
Safe sex, no babies  
Everybody go crazy (Get wasted)Chug, chug, chug  
Don't stop 'til you get enough  
Don't stop 'til you get enough  
Don't stop 'til you get enoughChug, chug, chug  
Don't stop 'til you get enough  
Don't stop 'til you get enough  
Don't stop 'til you get enoughBottles on bottles, free shots for everybody
