Blue (live In China)

Wham!

Every day it seems my smile's a little harder And every day, I seem to laugh a little less Living this way, it seems my sky's a little darker You went away and left me lonely in success Can't you see I'm falling apart? Can't you see I'm falling apart? Can't you see? Can't you see I'm falling apart? Can't you see I'm falling apart? Can't you see what's happenin' to me? Take this hand and show my fingers where my heart is Understand, you may just save me from despair Watch this man, you'll see he can't stop what he has started Take this hand, you'll see right now there's no-one there Can't you see I'm falling apart? You laugh at me as I fall Can't you see I'm falling apart? Just tell me, tell me, give me one good reason Armed with love, I could save my heart But on my own I just can't make it I'm too weak to fight, so take it Armed with love, I could save my heart But instead I watch you die Armed with love, I could save my heart But on my own I just can't make it I'm too weak to fight, so take it Armed with love, I could save my heart But instead I watch you die Can't you see I'm falling apart? Can't you see I'm falling apart? Tell me why, why, why Can't you see I'm falling apart? Can't you see, can't you see

Can't you see me?

Armed with love, I could save my heart
But on my own I just can't make it
I'm too weak to fight, so take it
Armed with love, I could save my heart
Tell me why am I so blue?
Armed with love, I could save my heart
On my own I just can't make it
I'm too weak to fight, so take it
Tell me why, why, why am I so blue?
