25 Lovers

Jennifer Rush

Touch down with your broken wing
Give me your love and we'll begin
To leave the past, time moves on much too fastSo give me your kick, don't be so shy
And use every trick, don't tell me why
You still need the sky to fly on highI'm falling, I'm falling, I'm falling in love again
I'm falling, I'm falling, I'm falling in loveCheck the hearts of your 25 lovers
And you'll find the answer why
It's you who's losing
Check my heart, 'cause you're still on the outside
It's your last chance to get in
On the inside nowWords are a waste of time
When what we feel can't be denied
Say goodbye and it would be a lieSo look at me, don't walk away
I can see in your eyes that you want to stay
You should know that only winners scoreI'm falling, I'm falling, I'm falling in love again
I'm falling, I'm falling, I'm falling in loveCheck the hearts of your 25 lovers
And you'll find the answer why
It's you who's losing
Check my heart, 'cause you're still on the outside
It's your last chance to get in
On the inside nowCheck the hearts of your 25 lovers
And you'll find the answer why
It's you who's losing
Check my heart, 'cause you're still on the outside
It's your last chance to get in
On the insideCheck the hearts of your 25 lovers
And you'll find the answer why
It's you who's losing
Check my heart, 'cause you're still on the outside
It's your last chance to get in
On the insideCheck the hearts of your 25 lovers
