

# Somebody Stole My Gal

Johnnie Ray

Gee, but I'm lonesome, lonesome and blue  
I've found out something I never knew  
I know now what it means to be sad  
For I've lost the best gal I ever had  
She only left yesterday, somebody stole her away  
Somebody stole my gal, somebody stole my pal  
Somebody came and took her away  
She didn't even say she was leaving  
The kisses I love so he's getting now I know  
And gee, I know that she would come to me  
If she could see her broken hearted lonesome pal  
Somebody stole my gal  
Angels they say are only above  
I know that's wrong because  
My old love sure is an angel  
Take it from me  
And she's all the angel I want to see  
Maybe she'll come back some day  
All I can do now is pray  
Somebody stole my gal, somebody stole my pal  
Somebody came and took her away  
She didn't even say she was leaving  
The kisses I love so he's getting now I know  
And gee, I know that she would come to me  
If she could see her broken hearted lonesome pal  
Somebody stole my gal  
And gee, I know that she would come to me  
If she could see her broken hearted lonesome pal  
Somebody stole my, somebody stole my  
Somebody stole my gal
