Time (LXURY Remix)

Jungle

Say it, how I'm feelin'
Ain't easyYou know, you know
Time and time again
Ooh!
Time and time again!
Ooh!
Say it again
Just hold on tight
Don't let in, yeah
I'll run alright,
Don't let me
Oh just let it out
Time and, time and, time and, time and time again
Time and, time and, time and, time and time againBreakin', now I'm feelin'
You see me
I know, you know
Time and time again
Ooh,
Time and time again
Ooh,
Say it again
Oh just hold on tight
Don't let in, yeah
I'll run alright
Don't let me
Oh just let it out
Time and, time and, time and, time and time again
Time and, time and, time and, time and time againOoh, ooh
Not even there
What he's speaking of, what is happenin'
My head is in space
You know, you know
Time and time again!
Just hold on tight
Don't let in, yeah
I'll run alright,
Don't let me
Oh just let it out
Time and, time and, time and, time and time again

Oh just hold on tight
Don't let in, yeah
I'll run alright,
Don't let me
Oh just let it out
Time and, time and, time and, time and time again
