

Moyda

Adam Sandler

Schnine
He's a pretty good guy
He's nice to his neighbors
You can count on him to buy your school candy bars
He's a real nic guy
He's always got the jumper cables
He'll take your mail in when you're on vacation
He's a good-hearted man
Volunteers at the library
He'll help you find a book on whales
He's a thoughtfull man
Rememers your birthday
Says God bless you when you sneezeBut there's a problem
It's not your average problem
But it's a pretty big problem
His hobby is moyda
His hobby is moyda
He'll eat a hamboyga
Then commit moydaHe's a friendly guy
He waves to all the joggers
Children use his backyard as a short-cut
He's a real sweet guy
He always recycles
Referees the Junior High basketball for no pay
He's a great, great man
He'll sign your petition
Then proceed to compliment your new haircutBut there's a problem
It's not your average problem
But it's a pretty big problem
His hobby is moyda
His hobby is moyda
South of the boyda
He's wanted for moydaHere he comes
Hey Larry, how ya doing?
How's the garden coming?
You know, it's interesting
I just read at the library
That you need to rotate the soil
To get real plump, read tomatoes

Oh, and one more thing
My hobby is moyda
Two, three, four
I'm a sick man
My hobby is moyda
My hobby is moyda
I'll eat a hamboyga
Then commit moyda[Chanting]
I never loiter
After committing the doity deed of moyda
Only Sigmund Freuda
Knows why I cannot and will not stop committing moyda
Murder, murder, murder, murder, murder
