Cereal Girl

Sesame Street

Was a time when I did not eat cereal oh no
(background singer monsters--- Oh No!)
I had never tasted it
Had never tried it sooo
Then one day my Dad said have some cereal with me
(with me!)
Cereal tastes really good and it's healthfull you'll seeI said I'll taste it, I'll give it a whirl
And now I am a cereal girl
I said I'll taste it, I'll give it a whirl
And now I am a cereal girlFirst I tried cold cereal
with milk and it was hip
(So Hip!)
Then I tried hot cereal
and that was such a trip
Then I tried some cereal with fruit
Healthfully sweet
(Healthfully Sweet!)
Now for breakfast cereal's my favorite thing to eatI'm glad I said I'll taste it, I'll give a whirl
'Cause now I am a cereal girl
I'm glad I said I'll taste it, I'll give a whirl
'Cause now I am a cereal girl(Girl, Girl, She's A Cereal Girl)
