Lost In Translation (Sweep Remix)

Apoptygma Berzerk

Fragile you are
And yet the strongest by far
Who's to save us now
That you've turned weak ?I can see it in your eyes
I can feel it in my gut
Now we've really reached
The point of no returnwe've all been traumatized
We were all a part of the revolution
We call the truth a lie
Too much got lost in translationfrom my heart to your ears
Transforming words to tears
As vibrations of a string
Become a soundI realize we're frail
Burned out and pale
Do you think we'll ever learn to love again ?we've all been traumatized
We were all a part of the revolution
We call the truth a lie
Too much got lost in translation
