

# Lost In Translation (Sweep Remix)

## Apoptygma Berzerk

Fragile you are  
And yet the strongest by far  
Who's to save us now  
That you've turned weak ?I can see it in your eyes  
I can feel it in my gut  
Now we've really reached  
The point of no returnwe've all been traumatized  
We were all a part of the revolution  
We call the truth a lie  
Too much got lost in translationfrom my heart to your ears  
Transforming words to tears  
As vibrations of a string  
Become a soundI realize we're frail  
Burned out and pale  
Do you think we'll ever learn to love again ?we've all been traumatized  
We were all a part of the revolution  
We call the truth a lie  
Too much got lost in translation
