

The Devil Put Dinosaurs Here

Alice In Chains

Come to me, I'll fill the hole
Why would I be lying
End fan, all planned out Offering a wonderful
Peace of mind worth buying
Bow down last round up I am wise and you don't know
A cloud is my home
Only some get in
Got a 'maginary friend The devil put dinosaurs here
Jesus don't like a queer
The devil put dinosaurs here
No problem with faith just fear Promise those who've gone before
Waitin' on you flyin'
Leading, receiving us I'm as flawed as any man
Look at me I'm smiling
Drink me, eat me up I am wise and you don't know
A cloud is my home
Only some get in
Got a 'maginary friend The devil put dinosaurs here
Jesus don't like a queer
The devil put dinosaurs here
No problem with faith just fear I am wise and you don't know
A cloud is my home
Only some get in
Got a 'maginary friend The devil put dinosaurs here
Jesus don't like a queer
The devil put dinosaurs here
The problem with faith Fear Liar, liar, liar, liar, liar, liar
