Courtney

Nerf Herder

You came from some town out in the sticks
To become the modern Stevie Nicks
You had the guts, a lot of ambition
The riot girls thought you were bitchin'You bared your soul
You showed us your holeCourtney Love, don't throw it all away
Courtney Love, don't you go changin'
Courtney Love, Courtney, Courtney LoveI saw you in a movie about pornography
You were looking pale and kind of saggy
I have to say it made me woozy
When you fucked Woody Harrelson in the jacuzziYou wore grungy clothes
And doctors fixed your noseCourtney Love, don't throw it all away
Courtney Love, don't you go changin'
Courtney Love, Courtney, Courtney LoveNow I'm overweight and ugly
Just like you used to be
Why can't I be like you
Then we could drive away to MalibuI hope I'm not out of place but
Courtney Love, sit on my faceCourtney Love, don't throw it all away
Courtney Love, what about me I'm not gay
Courtney Love, Courtney, Courtney LoveGold dust woman
Never break the chain
