

Dollar And A Dream Iii

J. Cole

Yeah, hey, Cole world

[Hook]Hey, I gotta dollar and a dream, that's all a nigga got

So if it's bout that cream, then I'm all up in the spot

I got a dollar and a dream, just a dollar and a dream

[Verse 1: J. Cole]Cole, walk with a nigga, I give you my pain

So much on my mind, I wonder how it fit in my brain

Scattered thoughts, dark secrets lead me to a blacker heart

Life can't get any worse, Stevie with his glasses off

Cause I still don't see hope, lookin' for a quick fix

When everyone I see is broke, get lost in weed smoke

Knowin' it make it worse, thoughts roam uncontrollably

Barely trustin' niggas, over a decade they been knowin' me

Shit, life at the bottom, nobody but God got em'

They say he wouldn't leave me, yet I'm fallin' like it's Autumn

Tell me, what do you do just when you're on your last dollar

And the stress of this mess you in can make your ass holla?

Do you fold, grow bitter and grow cold?

No longer fightin' now the only thing you grow is old

Or do you flip that fuckin' dollar to a dream?

Whether a scholar or a fiend, watch a pawn become a king

Cole!

[Bridge]Young nigga with his jeans low

Nice guy, just got a mean flow

Never seen rich but he's seen poor

Mr. dollar and a dream in case yeen know

[Hook][Verse 2: J. Cole]Yeah, armed and ready, you niggas strung out, you spaghetti

Ya paper, confetti, small time, ya'll on one, I'm on mine

You logged off cause I'm online, small talk from small minds

I wanna buy the mall but there ain't shit in this small town

This where I get my dough

My niggas make sure the money right and then I rip the show

I run the town they tried to call me underground

I spun around like, you wish

Homie my backpack Louis, now watch just how I do this

I got the nerds rappin' hard shit, dummies rappin' smart shit

Mozart meets Humphrey Bogart with this from the heart shit

Play your part, life is but a dream for me

I get a flash of nightmares when niggas scheme on me

It's hard to see my enemies, who infiltrated my team
I take a step back and notice that things ain't what they seem
That's when a nigga refocus, yeah I turn on them high beams
I got that red dot waitin', I'm wastin' your whole regime
I wish a nigga would, boy you can't out-smart me
I let you feel like you the shit, but boy you can't out-fart me
Ya never have it, I know you want what I got
But nigga you ain't me, but you are what I'm not
And that's a phony ass, lonely ass, Cole is what you know me as
But we far from homies, if you know my mama, you know me
If ya don't then well I'm sorry, you should get to know Kay
Man she been workin' too hard, I should send her a bouquet
My goal this year is a real one, gonna stack a million
And as soon as I do, Mama that 9 to 5 is through
And I know I ain't been callin', but I'm thinkin' bout you
And all the shit that you been through
My girl and then my brother too
Cause this life gets hard on this road, yeah it's true
I don't never tell you how much I be stressin', but I do
But I suck it up for who? my fans, and my mans
Who probably never ever had this type of lifestyle in they plans
Hoppin' in and out of vans, on the buses, on the planes
Gettin' brain from a bitch and thinkin' "god damn, what's her name?"
Sometimes I just shake my head and tell myself this is a shame
And then my other side kick in like, "bitch, don't be so fuckin' lame"
Dang, what a life, another day, another night
At times this shit is all blurry, pray and hope that God heard me
Just for those prayin' for me, man I know that y'all worry
But I ain't never failed and you can bet I never will
Cole!
[Bridge][Hook]Hey, cause nigga that's life, and trust me I'm livin'
Look what a nigga done made out the shit that I was given
Look what a nigga made out, look what a nigga made out
Got a dollar and a dream, three
