Basket Case

Sara Bareilles

I don't want to talk about it to you
I'm not an open book that you can rifle through
The cold hard truth that you see right to
I'm just basket case without youHe's not a magic man or a perfect fit
But had a steady hand and I got used to it
And a glass cage heart and invited me in
And now I'm just a basket case without himYou're beggin' for the truth

So I'm sayin' it to you I've been saving your place

And what good does it do?

Now I'm just a basket case

Now I'm just a basket caseI don't say much and it'll stay that way
You got a steel train touch and I'm just a track you lay
So I'll stay right here underneath you

I'm just a basket case and that's what we doYou're beggin' for the truth

So I'm sayin' it to you

I've been saving your place

And what good does it do?

Now I'm just a basket caseWon't somebody come on in and tug at my seams?

Oh, send your armies in of robbers and thieves

To steal the state I'm in, I don't want it anymoreYou're beggin' for the truth

So I'm sayin' it to you

I've been saving your place

And what good does it do? Now I'm just a basket case
