

Nightcall (Guess Watt Remix)

[Kavinsky](#)

There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same There's something inside you
It's hard to explain
There's something inside you
It's hard to explain
There's something inside you
It's hard to explain
There's something inside you
It's hard to explain There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same
