

Thank You for the Music

Cornelius

Bye bye to my foolish
Bye bye dream travels Thank you for giving me your valuable time Wave your hand and turn around
Flash back to a scene from the past Bye bye Bye bye you and I will someday
Bye bye meet again somewhere It would be nice if the next time we met we were smiley smile Wave your hand
and turn around
Flash back to a scene from the past Bye bye thank you for the music
Bye bye thank you for the music Adios
