

# Be Quiet and Drive Far Away (MACRODOT remix)

## Deftones

This town don't feel mine  
I'm fast to get away, farI dressed you in her clothes  
Now drive me far away, away, awayIt feels good to know you're mine  
Now drive me far away, away, away  
Far away I don't care where  
Just far away I don't care where  
Just far away I don't care where, just far away  
And I don't careFar away and I don't care where  
Just far away and I don't care where  
Just far away and I don't care where  
Just far away I don't care  
Far away and I don't care where  
Just far away and I don't care where  
Just far away I don't care  
Just far away  
Just far away, I don't care where  
Just far away and I don't care where  
Just far away and I don't care where  
Just far away, away  
Said, far away I don't care where, far away  
I don't care just where, just far away  
I don't care just where, far away
