You're Dead

The Brains

You?re dead! (Dead!)
Dead to me, I?m dead (Dead!)
Dead to you, you?re dead (Dead!)
Dead to me, I?ll always be with you

Remember the day I lost you.
Remember the day we died.
You?ll never forget, and never regret,
The day that could never die.

Forever I?ll be around you.
Forever I?ll be your side.
And now we can say, and as we play,
The day that could never die.
The day that could never die!

You?re dead! (Dead!)
Dead to me, I?m dead (Dead!)
Dead to you, you?re dead (Dead!)
Dead to me, I?ll always be with you

No longer will I bleed my trust
My blood is turning into rust
We?re stranded, we?re screwed,
I'm stuck here with you
The day that could never die.

Together we?re going crazy.
Together we?re out of our minds.
We?re stuck in this cell,
This personal hell,
The day that could never die.
The day that could never die!

You?re dead! (Dead!)
Dead to me, I?m dead (Dead!)
Dead to you, you?re dead (Dead!)
Dead to me, I?ll always be with you

(Guitar Break)

You?re dead! (Dead!)
Dead to me, I?m dead (Dead! Dead!)
Dead to you, you?re dead (Dead!)
Dead to me, I?ll always be with you (Dead!)
Dead to me, I?m dead (Dead! Dead!)
Dead to you, you?re dead (Dead! Dead!)
Dead to me, I?ll always be with you!
