Downtime

Blake Babies

Oh, please help me, doctor
I'm about to lose my mind
Just trying to pass the time
I'm about to lose my mind
Anything goes away in timeOh, please help me, doctor
I'm about to lose my skin
How will I keep my insides in
I'm about to lose my skin
Everything runs away in timeCan I turn and hold it down?
Make it stop spinnin' aroundOh, Jesus, I'm about to lose my girl
I don't need your word
I count every hour
Everything burns away in due time
