

# Downtime

## Blake Babies

Oh, please help me, doctor  
I'm about to lose my mind  
Just trying to pass the time  
I'm about to lose my mind  
Anything goes away in time Oh, please help me, doctor  
I'm about to lose my skin  
How will I keep my insides in  
I'm about to lose my skin  
Everything runs away in time Can I turn and hold it down?  
Make it stop spinnin' around Oh, Jesus, I'm about to lose my girl  
I don't need your word  
I count every hour  
Everything burns away in due time
