

# Living Room

## Broadcast

You can see in miniature, everything is so small  
Close to the ground, you have found  
There's no need to worry at all We could go to the cinema  
Where everything would be so tall  
But you hang around the man  
That you've seen around town There's nothing to do  
Since you broke up from school We could go into the cinema  
Where everything would be so tall  
But you hang around the man  
You've seen around town There's nothing to do  
Since you broke up from school  
Ah, ah, ah
