Tongue Tied

Holly Valance

Before I spoke
Your voice was moving here
The water safe
This way
That way
I feel his thoughts
Your choice
It's all there
There comes a time to find
Piece of mind
Take some time to let go
'Cos I wanna know
So tongue tied
I can tell what's on your mind
So tongue tied
But I want you by my side
And I wait
And I wait here for a while
Just to see your smile
So tongue tied
I can tell what's on your mind
The day I mean
A sign a world too
To get you back in mine
For a time

The cloudy phase
But I do wanan hear from you
The only one to feel
In a here
You have a mind of your own
And I wanan know
So tongue tied
I can tell what's on your mind
So tongue tied
But I want you by my side
And I wait
And I wait here for a while
Just to see your smile

So tongue tied
I can tell what's on your mind
We appear there is fear
Be right here
So tongue tied
I can tell what's on your mind
So tongue tied
But I want you by my side
And I wait
And I wait here for a while
Just to see your smile
So tongue tied
I can tell what's on your mind
