

# Tongue Tied

Holly Valance

Before I spoke  
Your voice was moving here  
The water safe  
This way  
That way  
I feel his thoughts  
Your choice  
It's all there  
There comes a time to find  
Piece of mind  
Take some time to let go  
'Cos I wanna know  
So tongue tied  
I can tell what's on your mind  
So tongue tied  
But I want you by my side  
And I wait  
And I wait here for a while  
Just to see your smile  
So tongue tied  
I can tell what's on your mind  
The day I mean  
A sign a world too  
To get you back in mine  
For a time

The cloudy phase  
But I do want to hear from you  
The only one to feel  
In a here  
You have a mind of your own  
And I want to know  
So tongue tied  
I can tell what's on your mind  
So tongue tied  
But I want you by my side  
And I wait  
And I wait here for a while  
Just to see your smile

So tongue tied  
I can tell what's on your mind  
We appear there is fear  
Be right here  
So tongue tied  
I can tell what's on your mind  
So tongue tied  
But I want you by my side  
And I wait  
And I wait here for a while  
Just to see your smile  
So tongue tied  
I can tell what's on your mind
