Me, I'm like a pilot, G5 Jet I'm fly as shit  
You cannot deny it, oh no, no-no, no-no  
Bitches be on my dick, designer threads, I'm fly as shit

Feds tryna watch the moves I make  
Every day I get birthday cake  
There's a hundred racks there in that safe  
Hundred grams there on that plate  
I ain't thinkin' 'bout catchin' no case
