

# Feeling Fine

## The Skatalites

You say you're alone, oh, oh  
All on your own, I'll never know why  
Where do you turn? Oh, oh  
Where do you turn? you'll never know why  
Wherever you go, oh, oh  
Wherever you go, I'll never know why  
When will you learn? Oh, oh  
I don't know, I'll never know  
She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
I'm trying to get her off my mind  
She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
Tomorrow I know I'm feeling fine  
You say that I'm wrong, oh, oh  
Everything's wrong, you'll never know why  
Now that I'm gone, oh, oh  
Everything's gone, you'll never know why  
Feeling so cold, oh, oh  
Out in the cold, I'll never know why  
When will you learn? Oh, oh  
I don't know, I'll never know  
She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
I'm trying to get her off my mind  
She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
Tomorrow I know I'm feeling fine  
I'm trying to get her off my mind  
She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
Tomorrow I know I'm feeling fine  
Tomorrow I know I'm feeling fine  
Tomorrow I know I'm feeling fine
