

Six Months In Kansas City (Liberty Street)

The New Basement Tapes

I see by the paper stand
He came from the old religion
But possess no magic skills
Descended from obscurity
He has nothing from his will
Thank you God for helping me out
But now treat me like a fool
Even bearded ladies or tall matches and light
I might have seen you before you knew
Crap shoots standing women are waiting

Six months in Kansas City
Six months in Kansas City
Six months in Kansas City
Six months in Kansas City
