Forgiveness

Collective Soul

In my silence I would love to forget
But restitution hasn't come quite yet
And with one accord I keep pushing forth
I stretch my heart to heal some moreIt used to be all I want to learn
Was wisdom trust and truth
By now all I really want to learn
Is forgiveness for youAs my seasons change I've now grown to know
When one's heart creates one's soul doesn't owe
So I wash away stains of yesterday
Then tempt my heart with loves displayIt used to be all I want to learn
Was wisdom trust and truth
By now all I really want to learn
Is forgiveness for you
