Big Big World

Lisa Germano

Got a big big heart
A big broken heart
In a big big worldIn a dance we smiled
A big big smile
On a big dance floorFloating floating floating
Floating floating floatingGot a love so huge
A big big love
In a big big caveFloating floating floating
Floating floating floating'cause love flies by
See it flying by
In the big big skyFloating floating floating
Floating floating floatingWith the same old smile
Stuck on my face
All by myself
With a big big heart
Great big love
In the big big worldBig big world
