

# I Do (Cherish You)

[Mark Wills](#)

All I am, all I'll be, everything in this world  
All that I'll ever need is in your eyes, shining at me  
When you smile I can feel all my passion unfolding  
Your hand brushes mine, and a thousand sensations seduce me 'cause I do, cherish you for the rest of my life,  
you don't have to think twice  
I will, love you still, from the depths of my soul  
It's beyond my control, I've waited so long to say this to you  
If you're asking do I love you this much, I do  
In my world before you, I lived outside my emotions  
Didn't know where I was going, 'til that day I found you  
How you opened my life to a new paradise  
In a world torn by change, still with all of my heart, 'til my dying day I do, cherish you for the rest of my life,  
you don't have to think twice  
I will love you still, from the depths of my soul  
It's beyond my control, I've waited so long to say this to you  
If you're asking do I love you this much, yes I do  
If you're asking do I love you this much, I do  
Oh, I do
