

# Bang! Bang!

## Tres Coronas

In New York the shooting of another unarmed black man  
Raises further questions about NYPD tactics  
On Friday an undercover policeman  
Shot and killed Patrick Doorsman  
Murder is murder  
Why're they confused?  
Another man dead  
I read it in the news  
Who gave them  
The fucking right  
To run around like  
They own the night?  
Oh, bang! Bang!  
Oh, oh, bang! Bang!  
Oh, oh, bang! Bang!  
Oh, oh, bang! Bang!  
Wrong fucking time  
Wrong fucking place

There is no fucking way  
This is not about race  
Who's gonna call 9 1 1  
When they can't tell a wallet  
From a motherfucking gun?  
Oh, bang! Bang!  
Oh, oh, bang! Bang!  
Oh, oh, bang! Bang!  
Oh, oh, bang! Bang!

Bang! Bang! Daddy, I want you dead  
Bang! Bang! Daddy, get out of my head  
Bang! Bang! Daddy, I want you dead  
Bring me Giuliani's head  
Oh, bang! Bang!  
Oh, oh, bang! Bang!  
Oh, oh, bang! Bang!  
Oh, oh, bang! Bang!
