

# Let's Dance

## Tyrant

Let's dance put on your red shoes and dance the blues  
Let's dance to the song they're playing on the radio  
Let's sway while colour lights up your face  
Let's sway sway through the crowd to an empty space  
If you say run, I'll run with you  
If you say hide, we'll hide  
Because my love for you  
Would break my heart in two  
If you should fall  
Into my arms  
And tremble like a flower  
Let's dance for fear your grace should fall  
Let's dance for fear tonight is all  
Let's sway you could look into my eyes  
Let's sway under the moonlight, this serious moonlight  
If you say run, I'll run with you  
If you say hide, we'll hide  
Because my love for you  
Would break my heart in two  
If you should fall  
Into my arms  
And tremble like a flower  
Let's dance put on your red shoes and dance the blues  
Let's dance to the song they're playing on the radio  
Let's sway you could look into my eyes  
Let's sway under the moonlight, this serious moonlight
