

# I'm Ready

Anthony Hamilton

Follow follow follow

Follow follow me I wanna play inside  
Catch a game of love and let this go go high  
We can do whatever let the time go by  
As long as we're together

Sit in the room  
Focus on you  
Beautiful you  
Show me your eyes  
Heavenly eyes  
Let's share our hearts tonight

[Chorus]  
I'm ready to be with you  
I'm ready to follow you  
I'm ready we can do whatever  
Whatever you wanna do  
Whatever I do it for you  
I'm ready let's follow our hearts tonight

Open open let's go take a chance on love  
Follow in these footsteps like a child of love  
It's alright the heavens open up for us  
It's what wonderful means

Sit in the room  
Focus on you  
Beautiful you  
Hand in hand  
The harder than hard  
With all of my heart

[Chorus]  
Follow our hearts tonight  
Oh oh oh  
Love's alright alright alright

Love's alright alright

I'm ready to be with you  
I'm ready follow you  
I'm ready we can do whatever  
Whatever wanna do  
Whatever do it for you  
I'm ready we can do whatever  
I'm ready follow you  
I'm ready to follow you  
I'm ready to love you  
Whatever wanna do  
Whatever all that you wanna do  
I'm ready I'm ready baby oh

Oh I'll I'll go for you  
Follow follow follow  
Forever
