No Place That Far

Westlife

I can't imagine any greater fear Than waking up without you here And though the sun would still shine on My whole world would all be gone But not for longIf I had to run, if I had to crawl If I had to swim a hundred rivers Just to climb a thousand walls Always know that I would find a way To get to where you are There's no place that farIt wouldn't matter why we're apart Lonely miles or two stubborn hearts Nothing short of God above Could turn me away from your love I need you that muchIf I had to run, if I had to crawl If I had to swim a hundred rivers Just to climb a thousand walls Always know that I would find a way To get to where you are There's no place that farOh, if I had to run, if I had to crawl If I had to swim a hundred rivers Just to climb a thousand walls Always know that I would find a way To get to where you are There's no place that far Baby, there's no place that far
