

# Dust On the Bible

[Kitty Wells](#)

Dust on the Bible, dust on the holy word  
The words of all the prophets and the sayings of our Lord  
Of all the other books, you'll find, there's none salvation holds  
Get that dust off the Bible and redeem your poor soul I went into a home one day to see some friends of mine  
Of all the books and magazines, not a Bible could I find  
I asked them for the Bible, when they brought it, what a shame  
For the dust was covered o'er it, not a fingerprint was plain Dust on the Bible, dust on the holy word  
The words of all the prophets and the sayings of our Lord  
Of all the other books, you'll find, there's none salvation holds  
Get that dust off the Bible and redeem your poor soul You can read your magazines, read of love and tragic  
things  
And not one verse of Christian, not one verse do you know  
When it is the very truth and its contents good for you  
Dust on the Bible will doom your poor soul
