Scars (Alex Brandt Bootleg)

James Bay

You're setting off
It's time to go, the engine's running
My mind is lost
We always knew this day was coming
And now it's more frightening than it's ever going to beWe grow apart
I watch you on the red horizon
Your lion's heart
Will protect you under stormy skies
And I will always be listening for your laughter and your tearsAnd as soon as I can hold you once again
I won't let go of you, I swearWe lived through scars this time
But I've made up my mind
We can't leave us behind anymoreYour hands are cold
Your lips are turning blue, you're shaking
This fragile heart
So heavy in my chest is breaking
And in the dark, you try to make a payphone call to meBut you're miles away
You're breaking up, you're on your own
It's hard to take
I need an hour just to say hello
But I can't make the truth of this work out for you or meAnd for all the pennies in your pocket,
We barely get a second just to speakWe lived through scars this time
But I've made up my mind
We can't leave us behind anymore
We'll have to hurt for now
But next time there's no doubt
'Cause I can't go without you anymoreOh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
Yeah, yeahWe lived through scars this time
But I've made up my mind
No, we can't leave us behind anymore
We'll have to hurt for now
But next time there's no doubt
'Cause I can't go without you anymore

No, I can't go without you anymore
