

# Smoke Gets In Your Eyes

## Teen Suicide

a comedy of errors  
old friends on a terrace  
am i burning in hell?  
i don't know, i don't think so  
learning to walk in heels  
smoking crack with maria  
"i don't wanna die" i tell myself  
then every day i surprise myself  
i stopped drinking soda  
watching the cat die slowly  
time makes a fool out of me  
what can i say  
smoke gets in your eyes  
you run a red light  
but if no one saw  
did you break the law?
